last call for the african american church revisits the commandment jesus left his followers to proclaim the gospel worldwide until his return one that by all accounts is no longer a priority in the contemporary african american church despite the presence of euphoric praise and worship celebrations and the proliferation of diverse ministries it advertises as cutting edge the implosion of missions has occurred in this church s pulpits and pews selected biblical foundations of missions are provided for those new to the parlance and for others needing a refresher course along with conventional missions distinctions chester williams logs some concepts in the glossary he himself has constructed for readers and for collegial review they include the feminization of missions rummage sale missions missions without jesus and window dressing missions for the most part these concepts represent a radical departure from apostolic missions and are viewed as biblical tinkering and convolution most importantly as obstructions to the great commission world harvesting

an exploration of the rapid development of african christianity offering an analysis and interpretation of its movements and issues

the year 2016 was declared by the african union as the african year of human rights with particular focus on the rights of women to commemorate and celebrate significant milestones in the realisation of human rights on the african continent the year marks the 35th anniversary of the adoption of the african charter on human and peoples rights african charter 30th year since coming into force of the african charter and 10 years since the inauguration of the african court on human and peoples rights since its adoption the african charter has been supplemented by the protocol on the rights of women in africa maputo protocol all au member states with the exception of new comer south sudan are state parties to the african charter and 36 of them have accepted the maputo protocol this book assesses the impact and effectiveness of the african charter and the maputo protocol in 17 african countries namely burkina faso cameroon cote d ivoire ethiopia gambia ghana kenya lesotho malawi mauritius nigeria sierra leone south africa swaziland tanzania uganda and zimbabwe the book is the result of research conducted by selected alumni of the centre for human rights ilm in human rights and democratisation in africa programme

a portion of a diary kept during a cable laying expedition down the west coast of africa starting from bathurst on the river gambia and terminating at the portuguese town of st paul de loanda p vii

blyden was president of liberia college in monrovia liberia he outlines the reasons for african colonization by american blacks founding and purpose of the american colonization society creation of the colony of liberia and the current state of the colony its geographic extent commerce and liberia college blyden appeals for more african american colonizers

arranged chronologically the essays in this book each brilliantly introduced by the editor deal with the way art and culture interact in modern times each author focuses on one aspect of modern art and its relation to culture by analyzing questioning or refuting the ideas about art that people just assume are true the essays are also grouped into one of four different models used by art theorists today the formalist in which the works of art describe the processes of making art the avant garde art that threatens the status quo the contextualist in which art can exist only in a specific situation or context and the post modernist stating that art is not completely detached from popular culture instructors considering this book for use in a course may request an examination copy here

this book celebrates the coming age of african history representing a quarter of a century of research by scholars from africa europe and america though designed as a textbook for courses in african history it aims at a broader conception of the nature of history than is found in textbooks of the history of other continents less emphasis is given to political history and more to social economic and intellectual trends the authors while seeking to look at africa from an african point of view are attempting to answer the question how did the african continent come to be as it is today back cover
