since the introduction of automated vehicles av's on roads there have been a number of high profile collisions which have highlighted significant driver challenges these include challenges associated with drivers trust in the automation their knowledge and awareness of the av's capabilities and

limitations and their reduced situation awareness of the road environment and the vehicle solutions are needed to overcome these challenges so that the expected benefits of avs can be realised driver training for automated vehicles a systems approach identifies the training requirements for drivers of avs and takes a systematic approach to design develop implement and evaluate a comprehensive training package to address these requirements this book explores how training can overcome the driver challenges associated with avs by improving drivers mental models trust in automation decisions and behaviour when activating a level 4 av it presents a systematic approach to the training lifecycle by first presenting the current state of research into avs identifying the challenges and training requirements for drivers of avs and then developing and evaluating a training programme to achieve these requirements this fascinating title highlights the need for drivers to undergo training for avs and takes us a step closer to this need it walks readers through a systematic four step process and provides practical guidance to develop and evaluate an effective training programme the reader will develop a thorough understanding of the current driver challenges with avs and the methods and systems to mitigate them through current knowledge and research this book is an ideal read for practitioners designers and academics with a professional or research interest in avs its appeal extends to those in the fields of automotive design systems engineering human factors and education and training

thomas hardees life pivoted around his job and his wife debbie then one day due to the poor economy thomas was laid off from a job that he held for nearly twenty years almost one year later to the day on a wednesday morning thomas found himself facing the reality that his wife had just been killed in a terrible automobile accident the life that he once knew and that he had become so comfortable with was turned upside down and it left him in a cloud of confusion it was impossible for thomas to feel any enjoyment in his life without debbie there with him he finally sought seclusion on the hiking trails that he visited when he was younger before he and debbie had even met it was on these trails where thomas confronted jesus head on and face to face it was out here where he asked those questions which hurt him the most why debbie my debbie what did she do to you why what did i ever do to you why the more he asked the more that thomas learned he was shown that it isnt one particular denomination or one religion by name that is going to save us its only jesus that is going to get us into heaven and it is only in his words where we can find out what he wants for us to do

harper s informs a diverse body of readers of cultural business political literary and scientific affairs

social scientists use the term social integration to refer to individuals connections with others in their environments the concept and its consequences have been the subject of considerable study many researchers have asserted that meaningful and enduring ties to other persons serve as a buffer against stress and thereby promote physical and mental health the results are especially pronounced for older persons social integration in the second half of life presents integrative

reviews of theory and research on this topic the editors and contributors all currently or previously affiliated with the cornell gerontology research institute also present new empirical findings of research done at their center the first section of the book discusses basic theory and principles of social integration in later life and its implications for health the second largest section examines specific issues retirement driving family support housing neighbors the third section addresses interventions to promote social integration transportation volunteering and peer support for dementia caregivers throughout the authors focus on the diverging influences of social integration and its converse social isolation in later life
